Vector InfoTech New Retail Shop in
Jurong Island

Announcement – September 2009

Vector InfoTech is pleased to announce that our new Industrial Retail Shop/Office in Jurong Island, Oasis@Sakra Amenity Building, No.3 Sakra Road, Singapore is now in operation.

Striving to provide Value Added Services & Supports to our customers in the Oil, Gas & Petrochemical Industries, our retail shop serves as a highly-targeted "Complete Total Solution" shop for our customers in the island.

Vector InfoTech Retail shop will be our sales' first point of contact for servicing customers' enquiries as well as a temporary preparation area for our technical staff to carry out installation & servicing for customers in the island.

We warmly welcome our valued customers & partners to visit us & browse thru' the various industrial products & solutions that we offer & talk to our experienced and knowledgeable sales for any requirements.

Vector InfoTech also has offices in Singapore, Malaysia, Thailand, China & Middle East and representative offices in Korea, Taiwan & Vietnam as well as Agents in Japan, India & Iran.

With our pool of experienced, full qualified engineers and dedicated support staff, coupled with strong working partners, we shall continue to provide quality, cost-efficient reliable systems and solutions to our valued customers.
