

20th Singapore SME 500 Rankings

Vector InfoTech is pleased to announce our achievement!

The annual "Singapore SME 500" Ranking and Certification, co-produced by Ernst & Young & DP Information Group, with support from IE Singapore and SPRING Singapore, recognizes the best of Singapore's business that have attained sterling financial results and shown excellent operational performance each year. These national accolades are highly rated as a symbol of business achievements and corporate stability.

As a ranked company, Vector InfoTech represented the **Top 2%** of Singapore's Top Performing Companies.

We thank you, our valued customers, partners and involved staffs for your confidence in us, making today's accomplishment possible.

Going forward, Vector InfoTech shall strive for greater achievements for us all, as we continue our journey together!

Yours sincerely,

The Management
